MEMORANDUM FOR MOHAMMAD SALAMEH, Federal Register No. 34338-054

FROM:

*Robert A. Hood*  
 ROBERT A. HOOD, Warden

SUBJECT:

**Restricted General Correspondence Restriction**

The purpose of this memorandum is to notify you that you are being placed on restricted general correspondence, pursuant to 28 C.F.R. § 540.15. Your past pattern of utilizing general correspondence to attempt to correspond with other incarcerated persons poses a special threat to security and good order of the institution, protection of the public, and national security insofar as your unlimited general written correspondence might facilitate further criminal or terrorist activity. Restricting your general correspondence is justified as you are considered a "security risk" pursuant to Federal Bureau of Prisons (Bureau) Program Statement No. 5265.11, Correspondence, (PS 5265.11) Section 12.a.(4). Accordingly, your general correspondence (incoming/outgoing) is limited to/from verifiable immediate family members only (spouse, mother, father, children, and siblings).

You are permitted to respond to your being placed on restricted general correspondence (orally or written), and a written response will be provided. This may be considered an attempt at informal resolution under the Bureau's Administrative Remedy Program. In addition, you may seek a formal review of the decision to place you on restricted general correspondence through the Bureau's Administrative Remedy Procedure. The procedure requires that you first address your complaint to the Warden. If dissatisfied with that response, you may appeal your complaint to the Regional Director, Federal Bureau of Prisons, North Central Regional Office, Gateway Complex, Tower II, 8th Floor, 400 State Avenue, Kansas City, Kansas 66201-2492. If dissatisfied with the Regional Director's response, you may appeal to the Director, National Inmate Appeals, in the Office of the General Counsel in Washington D.C.
